## BREF for Surface treatment using organic solvents including preservation of wood and wood products

We have the pleasure to inform you that the IED Article 13 Forum's opinion on the revised BREF for Surface treatment using organic solvents including preservation of wood and wood products with chemicals was obtained on 14/10/2019. The Forum opinion has been published [here](#) and posted in the following folder of BATIS:

[Forum > Surface Treatment Using Organic Solvents > 02 First review of the STS BREF 2015 > 13 Forum meeting](#)

# OUR BACKGROUND WORK ON EU BREFS

The final version of the draft Commission Implementing Decision on Best Available Techniques (BAT) conclusions for the Surface treatment using organic solvents including preservation of wood and wood products with chemicals will now be submitted to the opinion (i.e. vote) of the IED Article 75 Committee (vote foreseen to take place in 1<sup>st</sup> quarter of 2020).

In the case of a positive opinion, the Commission will adopt and the publication in the Official Journal of the European Union, expected for the 2<sup>nd</sup> quarter of 2020. We will keep you informed on any progress.
