

OUR BACKGROUND WORK ON EU BREFS

Common Waste Gas Treatment in the Chemical Sector (WGC) BREF

Following a stakeholder commenting period until the end of February 2020, the European Commission is now working on a revised draft that will be again discussed and finally concluded upon at the Final meeting (to be held Q2 2021, tbc). A data assessment workshop will be held at the end of November / beginning of December 2020 (tbc).

OUR BACKGROUND WORK ON EU BREFS

Ceramic Manufacturing Industry (CER) BREF

Kick off Meeting to be held in the weeks between
26 October and 13 November (tbc)
